Dated : November 06, 2008

**ORDER**

**Sub : Continuance of 'Command Area Development & Water Management Programme (CADWM)' for implementation during the years 2008-09 – 2011-12 of the XI Five Year Plan.**

The sanction of the President is hereby accorded to the continuance of the Command Area Development & Water Management Programme for implementation during the remaining 4 years (2008-09 – 2011-12) of the XI Five Year Plan with an outlay of Rs.1600 crores as central assistance. The scheme was being implemented as the Centrally Sponsored Scheme earlier and till 2007-08. It will now be implemented as a State sector scheme w.e.f. the year 2008-09 and in the remaining years of the XI Five Year Plan.

2. The programme envisages continuation of existing financial assistance from the Central Government of the order of 50% / 75% of the actual expenditure subject to a maximum limit in each case considering revised cost of various components of the scheme as per details in para 3. The existing components of the programme are being continued during the XI Plan (2008-09 – 2011-12) with the following modifications:

- i) Besides, as an alternative to On Farm Development Works (comprising of construction of field channels, and also land levelling /shaping and realignment of field boundaries, where necessary) financial assistance will be provided for development of infrastructure to facilitate use of sprinkler / drip irrigation systems i.e. for construction of stiling tanks, pump houses and laying of conveyance pipes. The cost norms as fixed for On Farm Development Works will also be applicable for development of infrastructure to facilitate use of sprinkler and drip irrigation systems.
- ii) The condition of inclusion of a project only against completion / deletion of a project will be relaxed for:
  - a) projects in PM's package of agrarian distress districts (Annexure-I);
  - b) projects in drought prone (Annexure-II);
  - c) projects in tribal areas (Annexure-III);
  - d) projects in States where irrigation development is below national average (Annexure-IV);
  - e) projects in special category States / areas i.e. North Eastern Region, Himachal Pradesh, Uttarakhand, Jammu & Kashmir, and Kalahandi-Bolangir-Koraput (KBK) districts of Orissa.
- iii) The component of desilting and renovation of minor irrigation works has been deleted as one of the components to be eligible for financial assistance as assistance is being extended for this component under the other scheme 'Repair, Renovation and Restoration of Water Bodies' of the Ministry of Water Resources.

3. The details about the various components admissible for financial assistance under the programme, the existing costs norms and the Central share, effective from 01.04.2008, are given hereunder:-

9. Renovation and desilting of Minor Irrigation Tanks	50% of actual expenditure subject to maximum of Rs.7500/- per ha (the assumed cost per ha for this component is Rs.15000/-)	This component is discontinued.

**Note: 1.** A minimum of 10% contribution (of the total cost) by the beneficiary farmers, as a part of the State Share, is mandatory for execution of OFD works and reclamation of waterlogged areas.

**Note: 2.** In case of one time functional grant to registered WUAs, a minimum of Rs.100/- per ha is to be realized from the beneficiary farmers.

4. The central assistance will be admissible subject to the following conditions;

(i) Submission of quarterly progress reports to the Ministry showing both physical and financial progress.

(ii) The release of central share during the year shall not normally exceed the state share allocation fixed by the Planning Commission.

(iii) Any further release would be subject to the satisfactory progress of the on-going projects.

(iv) Releases of central share would be subject to submission of the utilisation certificates of the previous years' grants.

5. The Command Area Development & Water Management Programme must also ensure reduction of loss of irrigation water in the conveyance system and improve its efficiency at farm level while ensuring equitable distribution of water. The Programme must also help in building the capacity of Water Users' Associations.

6. Projectization is a key element of the implementation strategy and a Detailed plan of Action (DPA) should be made available to the Government of India for each project, with time frame, budget, physical targets etc. being clearly spelt out.

7. On-going projects should be prioritized and convergence with other schemes built into the projects. During XI Plan, priority should be given for completion of on-going projects. New Projects will be included under the programme only upon efficient and

effective completion of on-going projects in the ratio of 1:1, subject, however, to the relaxation as admissible under the scheme.

8. Central assistance will be provided to States on enactment of PIM Legislation. Till this is done, alternative arrangements should be in place for formation and empowerment of Water Users' Associations.

9. Water Users' Associations should be in position before project components are taken up so that beneficiaries are involved in the projects since inception. Water Users' Associations should be formed immediately in on-going projects wherever this has not been done before further funds are released.

10. No Central assistance shall be provided for enforcement of warabandi. However, this being an important activity, its implementation should be continued by the State Governments.

11. The existing procedure for sanctioning new projects by an Inter-Ministerial Sanctioning Committee headed by Additional Secretary (WR) would be continued.

12. Other conditions relating to Central release will remain the same as specified in various circulars issued from time to time. Detailed guidelines, wherever necessary, would be issued separately.

13. This issues with the concurrence of Finance Desk, Ministry of Water Resources vide their Dy. No. 2436 dated 3.11.2008

Hindi Version will follow.
